

Praise our great and gracious Lord

Hebrew Melody

Maoz Zur
77.77.67.67

**Praise our great and gracious Lord,
call upon his holy name;
raising hymns in glad accord,
all his mighty acts proclaim:
how he leads his chosen
unto Canaan's promised land,
how the word we have heard
firm and changeless still shall stand.**

**God has given the cloud by day,
given the moving fire by night;
guides his Israel on their way
from the darkness into light.
God it is who grants us
sure retreat and refuge nigh;
light of dawn leads us on:
'tis the Dayspring from on high.**
