Ask what thou wilt, believing heart,
The answering time will come;
Pray and believe—that is thy part,
The answering time will come.

Refrain

*The answering time will come;
The answering time will come.
Tho' dark the way, still trust and pray,
The answering time will come.*

Ask in the name of Christ thy Lord,
The answering time will come;
Rest on the promise of His Word,
The answering time will come.

Refrain

God's Word is sure; it cannot fail,
The answering time will come;
The prayer of faith shall yet prevail,
The answering time will come.

Refrain

God will not mock believing prayer,
The answering time will come;
He knows the burden thou dost bear,
The answering time will come.

Refrain
